# MESSAGE FROM THE BOARD

On behalf of the Peterborough Police Services Board, I am honoured to present the 2022 Annual Report of the Peterborough Police Service. As you will read in this report, it is through the cooperation of all levels of the Police Service, levels of government and partnerships with the public and community stakeholders that our communities are kept safe and strong.

The following annual report highlights the successes and challenges of 2022. During this period, the Service saw the retirement of Chief Scott Gilbert while Deputy Chief Tim Farquharson took on the role of Acting Chief. During this time, the Board underwent its successful search for a new Chief of Police with the appointment of Chief Stuart Betts. The Board continued its focus on community safety and well being and remained committed to hiring additional front-line constables as well as an IT manager to grow with the ever-increasing needs of technology and policing. Hiring additional front-line constables reduced the amount of overtime hours worked and subsequently reduced possible burn-out among our front-line responders.

Through the annual report, important information will be communicated including the overall decrease in clearance rates to 37.2% due to the increase in crime versus the number of officers as well as the increasing complexity of investigations. Additionally,

through the success of operations such as Project Lancia, which saw Peterborough Police partner with other Police Services, drugs valued at over \$1.1M were seized and kept off our streets.

The Peterborough Police Service continues to respond to calls from impaired driving, missing persons, property crimes and other public safety issues. The Board would like to thank all the civilian and sworn members of the Service, from the front lines to the leadership team, for their ongoing dedication and commitment to keeping our community safe.

It is truly my honour to work with the members of the Board and Service to ensure the initiatives we undertake are in the best interests of the communities in which we live and work. The Board is committed to supporting the members of the Peterborough Police Service through ensuring adequate staffing and necessary tools are available, while remaining fiscally responsible.

We hope this report delivers an informative snapshot of the hard work your Police Service undertakes every day in order to provide the highest level of service to the City of Peterborough, Village of Lakefield and Township of Cavan-Monaghan.

Mary ten Doeschate  
Chair, Peterborough Police Services Board

# MESSAGE FROM THE CHIEF

It's my pleasure to introduce the 2022 Annual Report to the community on behalf of the Peterborough Police Service. As you will see in the pages that follow, it was another busy year for the men and women of the Organization. Although the total number of calls for service decreased, there was an overall increase in the number of criminal calls for service; these calls tend to be more complex in nature and result in a greater workload on all parts of the Organization.

The most visible aspect of our police agency, and all police agencies, is the frontline officers in uniform. Yet, without the support of investigators, 911 call takers and dispatchers as well as administrative staff working tirelessly behind the scenes, the workload of the frontline would overwhelm the ability of the system to process and prepare charges for court.

A police service is an ecosystem of employees, each integral to the efficient and effective operation that promotes community safety. Even this Report would not be possible without such support. It is for this reason, that as you read the Report, I encourage you to contemplate the complexity of the system that requires a strong behind-the-scenes foundation to support and enable those members in uniform to serve in the community each and every day.

The format of this year's Annual Report has shifted to a graphical representation of the years' achievements. We hope it will be more easily digested, as the information contained herein represents the combined efforts of more than 200 employees who are dedicated to their profession; dedicated to community safety; dedicated to living our motto of professional, helpful and friendly.

Having only joined the Peterborough Police Service in 2023, I'm impressed and inspired to read about the efforts of all members who continue to serve their community with pride. I hope you will be too.

We will continue to build upon the momentum of 2022, as we bring the final year of the 2020-2023 Strategic Plan to life and make plans for an exciting future and enhanced Organizational capacity, ensuring the Community remains safe and is supported by a Police Service providing the types of response they have come to expect, and deserve. We will do this with a focus on ensuring the City of Peterborough, Village of Lakefield and Township of Cavan-Monaghan are a safe place to work, live and play.

Respectfully,  
Stuart Betts  
Chief of Police

The Traffic Unit is comprised of one Sergeant and five Constables. In 2022, the Unit was not at full complement and was also often called upon to supplement the frontline in answering calls for service. As a result, there was a decline in the overall number of Provincial Offence Notices (PON's) issued in 2022.

The Traffic Unit is the primary response to serious motor vehicle collisions. In 2022, there were eight vehicle collision reconstructions. These investigations take a significant amount of time to complete and require officers with specialized reconstruction qualifications.

In 2022, thanks to municipal and provincial funding, a second MCIT team was added in July and a third team was added in November. Two teams were in partnership with Canadian Mental Health Association (CMHA) and the third was in partnership with Peterborough Regional Health Centre (PRHC). In each case a mental health worker, nurse or social worker is partnered with a Peterborough Police Service officer. The teams' primary responsibility is dealing with any calls for service involving mental health, thus freeing up frontline officers for other high

priority calls. The team conducts follow up after the fact with these individuals and helps them connect with other community agencies to help them access the services they require. This team is the liaison between CMHA and PRHC. They have helped reduce the officer time spent at PRHC.

This program is already well received and appreciated by the community and external partner agencies. Any expansion will only provide further capacity to ensure better outcomes for police engagement with people struggling with their mental health needs.

# Mobile Crisis Intervention Unit

The Community Services Unit is comprised of four officers and one civilian member. Officers are assigned as liaisons to area high schools and elementary schools in Peterborough, Lakefield, and Cavan-Monaghan. All sworn members are responsible for approximately ten schools; handling education and enforcement issues within the schools. With the challenges of the COVID-19 pandemic lingering into 2022, programming and activities in our local schools required restructuring. Distance

learning strategies and technology became necessary when delivering established programs and maintaining relationships with the students and staff.

In September 2022, the Community Engagement and Development Coordinator organized and hosted a multi-sectoral conference for community-based support service agencies. The conference brought many people together to forge relationships to benefit the community.

The Training Unit has one full-time member and a Sergeant. There are 11 part-time trainers who assist as a secondary duty to their primary assignments.

The Training Unit's goal is to ensure police members receive the necessary training to perform their duties safely and effectively.

Officers complete four, eight-hour training days. These four days cover use of force, firearms, scenario-based de-escalation

scenarios and additional academic updates and presentations from subject matter experts, and community partners. The total mandated in-person training time is 40 hours per officer on their scheduled days off so as not to interfere with their regular shift duties. Special Constables and Auxiliary members must also qualify annually in use of force.

# Training Unit

In 2022, the Emergency Response Team (ERT) increased their deployable strength from twelve members to thirteen members.

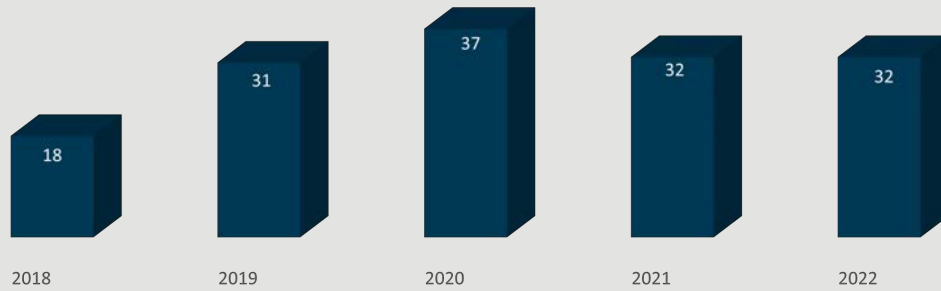

The ERT Unit responded to 32 calls, with the majority being for high risk and drug search warrants involving the Intelligence and Drug Unit (ICAD) or Criminal Investigation Unit (CIU).

ERT was also deployed out of our jurisdiction on eight calls for other police services, including Ontario Provincial Police (OPP), Durham, Peel and the Biker Enforcement Unit (BEU).

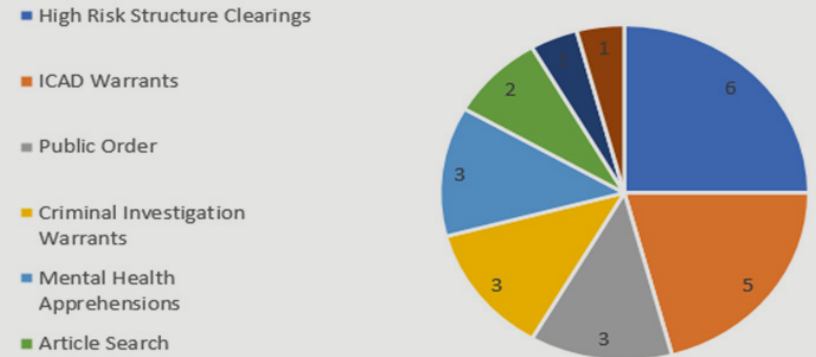

The Tactical Paramedic Unit increased from three paramedics to six which will allow for more coverage and availability when ERT is deployed.

constantly whether during established work shifts or on their off hours. Training is a daily occurrence. These teams also assist in neighbouring jurisdictions, such as Cobourg, Port Hope and Kawartha Lakes.

In 2022, the first ever K9 Calendar was produced raising approximately \$10,000 for the new Peterborough Humane Society facility.

The Canine Unit is a seven day a week, 24 hour a day commitment. Both officers, and their partners, are interacting

There are six trained crisis negotiators within the Service who engaged in seven calls for service in 2022. Five of these calls were mental health related, one was criminal in nature and the other was fictitious. The crisis negotiators participate in training throughout the year to maintain their skills as they need to be prepared at any time.

### CRISIS NEGOTIATION

The Remotely Piloted Aircraft System (RPAS) continues to be a very beneficial asset to the Service and its members. The part-time Unit was formed in 2021 with one officer qualified as a RPAS pilot, and in 2022 that increased three qualified officers as pilots. In 2022 the RPAS was used for 19 calls for service and the pilots completed 70 hours of training.

# THANKS FOR REACHING OUT

Thank you to our community members who took the time to share these words.

It means so much to our members. And it is why we do what we do.

For community.

Officer,  
You showed up for me time and again. Even when you didn't have to. Thank you for your professionalism and commitment.

Good morning.

Just sending out positive notes to the officers that dealt with the issue the other day. Your people were highly professional in a video I saw. They all carried themselves honourably. I hope I am able to comport myself with that much sense of honour, situational awareness, and willingness to protect my comrades while doing our duty to protect our community, if ever faced with a similar situation.

Please extend my admiration to these officers.

Thank you for giving us a wonderful example of coolness under exceptional stress.

The Community can never thank you enough.

Thank you for putting on your uniforms each day!

Thank you for your service!

A special thank you to the Peterborough Police Service for finding my truck and everything still in it!

We thank you for your service for the public well-being.

We appreciate your courage, steadfastness and restraint in these troubling times.

You are our buffer that protects us from the criminal segment and those that promote anarchy. For that we are extremely grateful.

God bless you and continue to give you courage and wisdom.

It has been a very busy time for @PtboPolice this past week and I just want to say thank you for all you do.

The communications staff right down to the officers working hard to keep us safe in a troubling time.

To all staff,  
Just a little something to let you all know how much you are appreciated for all you do.  
Thank you for going out everyday, putting your lives on the line to keep us all safe.  
It gets harder and harder everyday.  
You are all so very much appreciated!  
Stay safe.

I want you to know how much you are appreciated for all you do, every day, for us.  
To keep us safe, even while putting yourself in harm's way.  
I am so impressed with your drug busts, HUGE!! So impressive.  
Keep up the great work you do for us. It must feel good to go home at the end of the day knowing you have done great - helping others.  
We need you and are so grateful.

# Street Crime & High Risk Unit

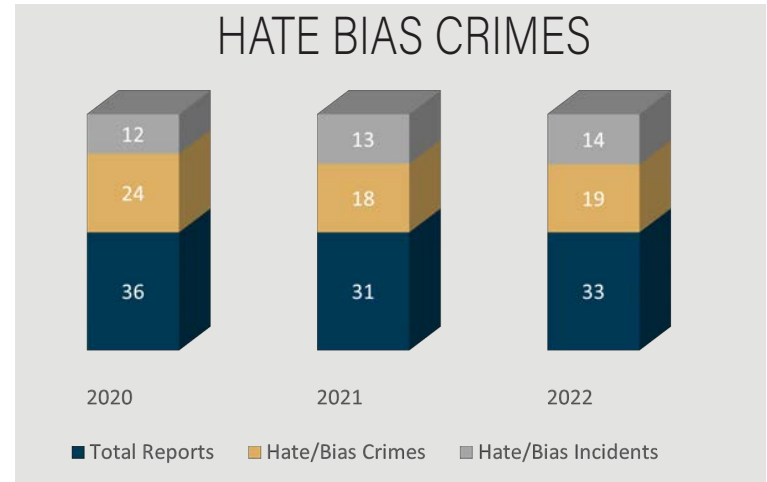

There were 52 calls for service specific to drugs in 2022. These calls were reported by members of the community to the Service. The ICAD Unit also proactively created several drug calls because of active investigations utilizing surveillance, confidential human sources, undercover operations, and input from the community, including Crime Stoppers.

The Drug Unit was responsible for writing several Controlled Drugs and Substances Act

(CDSA) search warrants, and 487 search warrants for other investigative units such as Major Crime.

The Peterborough Police Service continues to see that cocaine and fentanyl are the highest quantity of drugs being sold in the area.

In 2022, Hate Bias Crime remained an area of concern for our Service. These recorded incidents were motivated by race, religion, and sexual identity.

# Intelligence & Drug Unit

# JOINT FORCES OPERATIONS

**Project Lancia** This investigation involved the CISO, Peterborough Police Service, Durham Regional Police Service, Sault Ste. Marie Police Service, OPP and Brantford Police Service. 31 search warrants were executed with 24 people arrested and 183 drug and firearm charges being laid. Approximately \$4.45M in drugs were seized in addition to nine firearms and \$221,000 and five motor vehicles as offence-related property.

**Project Econoline** A Peterborough-focused project regarding the trafficking of illicit substances involving CISO, Durham Regional Police Service and undercover officers. Illicit substances (cocaine, fentanyl, oxycodone) were seized, and several individuals charged under the Controlled Drugs and Substances Act.

**Project Swing** Involves the homicide of an infant in Peterborough. The assistance of the Durham Regional Police Service was obtained to help the investigation.

**Project Maverick** A Provincial strategy to protect children against sexual abuse and exploitation on the internet involves the Attorney General, Solicitor General and 27 police services. In total, 277 investigations were conducted, 168 search warrants executed, 1,032

devices seized, and 107 individuals from across the province were charged with 428 offences.

**Attempted Murder** In July 2022, a male was shot in a residence in Peterborough. Through investigation, the suspect was identified and found to reside in Quebec. Investigators from PPS partnered with the Ministry of the Attorney General to obtain a Canada-Wide arrest warrant and working with police in Quebec, the suspect was located and returned to Peterborough to face charges.

## INTERNAL TASK FORCES

**Project Backrack** In December 2022, The Street Crime Unit initiated an investigation into the theft of a motor vehicle. It was determined that a specific part of the stolen vehicle was being sold online. Officers responded to an online ad, in an undercover capacity, which resulted in an arrest and a charge of possession of stolen property.

**Project Patriot** In April 2022, a homicide suspect was identified through interviews and various investigative techniques using detectives from the Peterborough Police Service. Video evidence was also obtained. This led to the arrest of two individuals in connection with the shooting; and a warrant for a third person.

# Joint Operations/ Task Forces

The **Electronic Crime Unit (ECU)** has two members one Detective Constable and one civilian. The number and complexity of cases requiring the assistance of this unit is increasing.

**Forensic Identification Services (FIS)** consists of three Detective Constables, with a civilian Special Constable assuming the responsibilities of overseeing the fingerprinting and

DNA databank submissions for the service. Officers work with all members of the service whether it's through crime scene examination, evidence examinations or educating members on best practices for crime scene management and/or evidence collection.

# Human Resources

The Human Resources Division is comprised of a manager, a coordinator, and a payroll administrator.

The Human Resources Division provides advice and guidance on human resource matters regarding collective agreements and employee relations concerns, human resources policies, development, and implementation

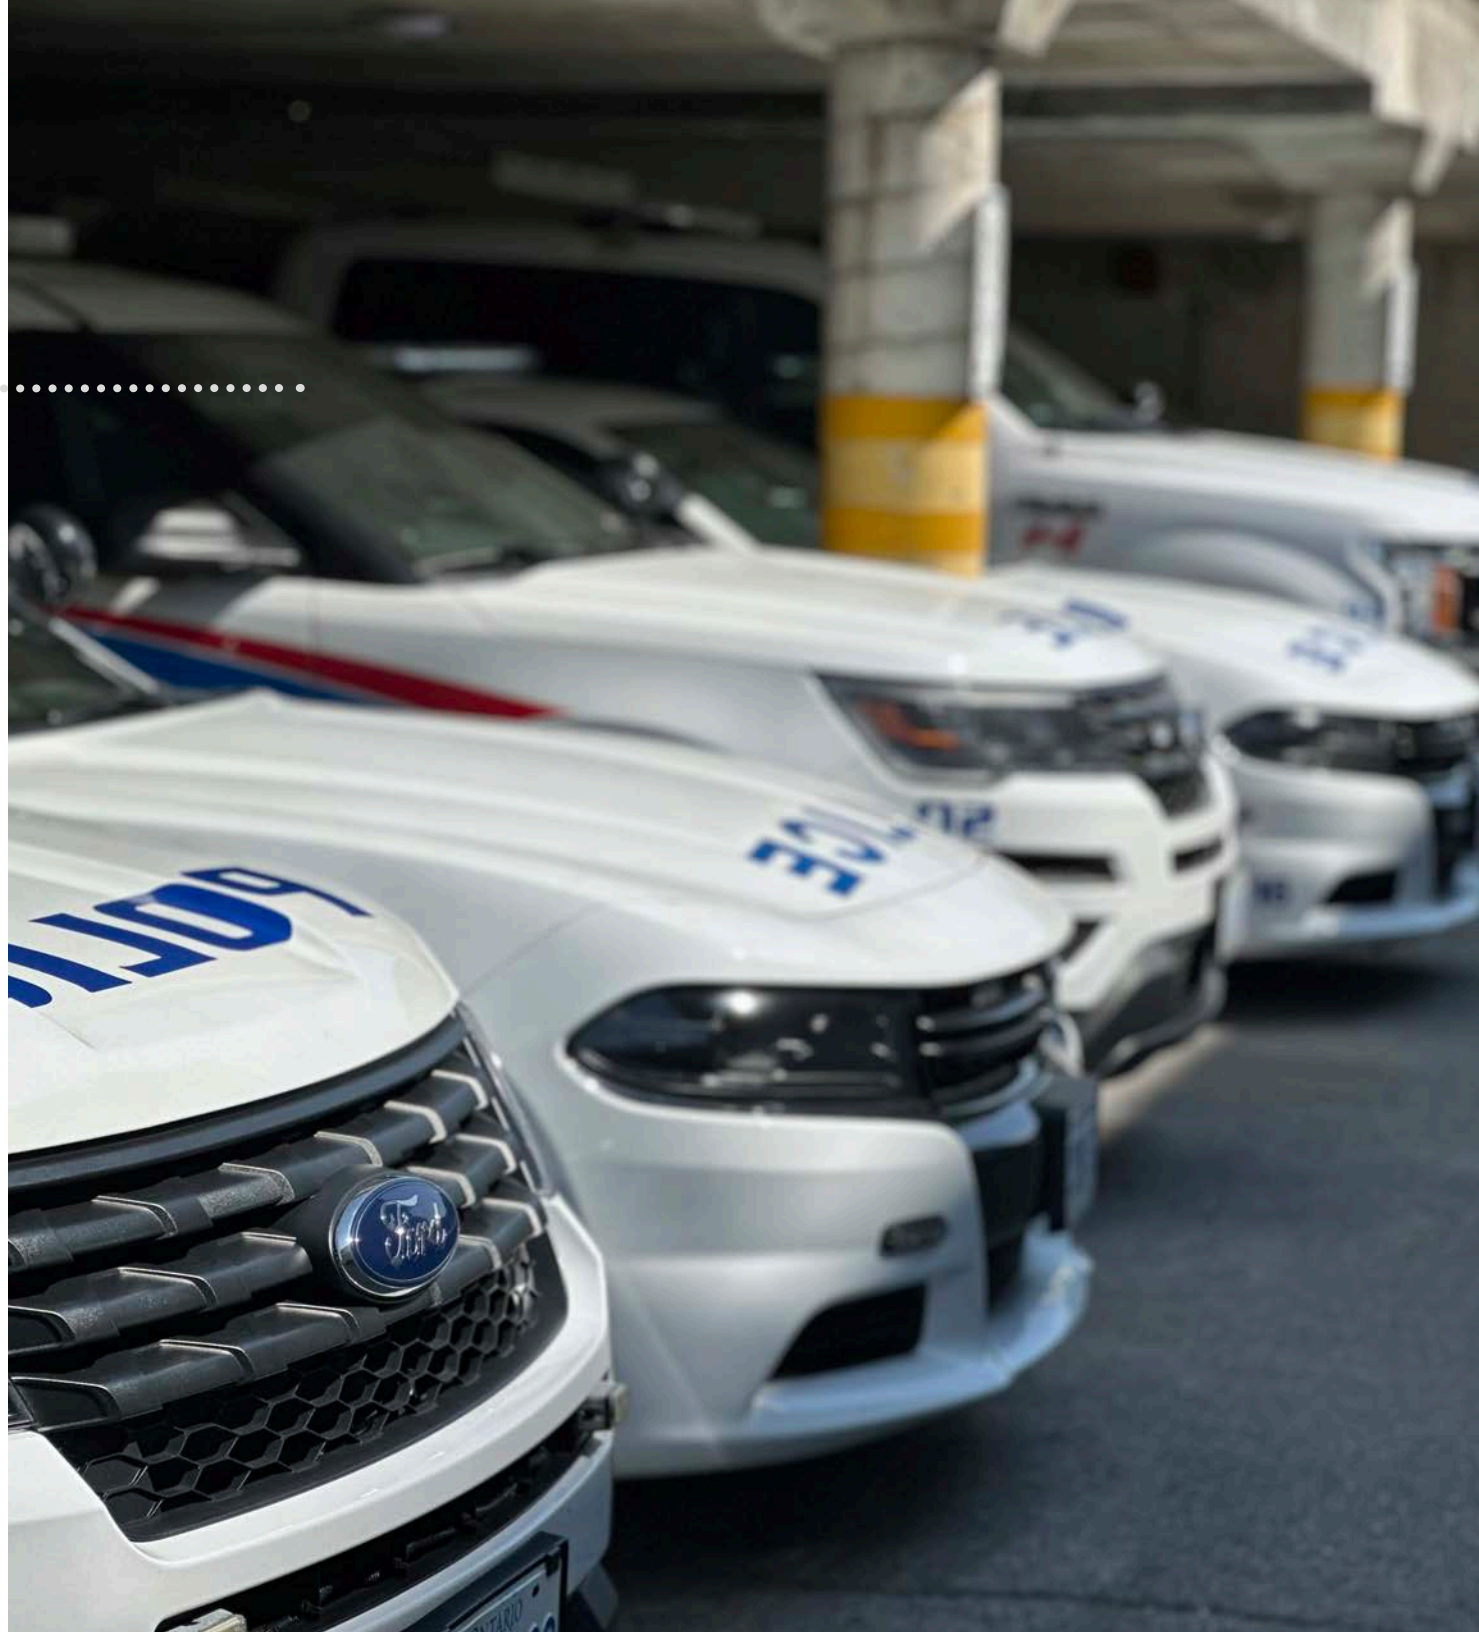

of Return to Work (RTW) Plans and attendance policies, and payroll & benefit services.

The Division expanded in 2021 to include the coordinator position to focus on all aspects of the recruitment process. The goal of the Human Resources Division is to ensure a safe work environment and support all members to continue to work at the Service.

# 2022 STATISTICS

# Finance Division

The Finance Division is comprised of one manager, the Fleet/Facilities Coordinator, and the Quartermaster/Purchasing Clerk.

The Finance Division provides various forms of operational support for the Police Service, including management of all division budgets, special projects, fleet, facilities and purchasing.

Police planned projects are drawn from the facility maintenance budget. This includes known costs such as contract fees for off-site storage units, document shredding and parking at Provincial Court.

Life cycle management of body armour will continue so that all vests used in the field are less than five years old.
